

Willy Style Episode Transcripts

Episode 1 - PROTECTION:

Willy: “I make sure I’ve got an outfit for every occasion. I wouldn’t go out without looking my best, y’know. These keep me safe – I don’t get in a mess and I don’t have any accidents, if you know what I mean. This one is what I’ll be wearing tonight. My favourite style – ribbed, oh yeah!”

Episode 2 - RESPECT:

Willy: “Well I’ve got a pretty big date tonight with a very lucky lady. So of course, I’m getting properly dressed for the occasion. It’s what a girl deserves, and I wouldn’t dream of turning up wearing anything less.”

Episode 3 - RISK:

Willy: “People think I’m a bit of a risk taker, and yeah, I like to live life on the edge. But I’d never take a risk when it comes to sex. There was one time when I’d had a bit to drink and didn’t use protection. My partner and I had a bit of a scare afterwards. So now I always stay safe and use protection every time.”

Episode 4 - SERVICES:

Willy is mid-sentence, chatting to camera when he is interrupted by a phone call.

Willy: “Oh yeah I agree...” PHONE RINGS “...sorry, one moment”
ANSWERS PHONE “Hello”

Voice: “Hi mate, I just wanted to ask where you got what you were wearing last night.”

Willy: “Well I get all my outfits for free actually, from my local C-Card outlet. It’s really quick and easy to pick up supplies.”

Voice: “Thanks Willy, I’ll check it out.” HANGS UP PHONE

Willy: “That’s something I get asked all the time. So, where were we?”
